

Hope in the Boat

NY Capital Region

By paddling together, our mission is to promote wellness and provide hope and partnership to those on the breast cancer journey. We accomplish this through the ancient sport of dragon boat racing.

Hope in the Boat is the first breast cancer survivor dragon boat team in the Capital Region of New York State. **Hope in the Boat** is a 501(c)(3) not-for-profit organization. Your generous tax-deductible contribution will help our team support our mission.

The **Purple Ribbon Project** gathers the names of those we wish to remember, honor and support. The names are inscribed on purple ribbons and fashioned into a boa that will be worn by our drummer during races. The names of those we honor are on the boat with us, guiding us across the finish line, providing us with hope and inspiration. For each \$25 donation, we will add a ribbon to our boa inscribed with the name of someone you would like to remember or honor.
